

TAXPAYER ALERT!

Senator CHAPIN ROSE is Fighting Back Against \$6 BILLION IN NEW TAX HIKES...

This spring, lawmakers and special interest groups pushed over \$6 billion in new taxes to fund a nearly 40% increase in state spending over the last six years.

SENATOR ROSE OPPOSED...

**A \$1.50 DELIVERY
TAX ON EVERYDAY**
necessities like diapers
and toothpaste.

**A NEW SERVICE
TAX ON ESSENTIALS**
from oil changes and haircuts to
basic home repairs.

**A "MOM & POP"
DIGITAL
ADVERTISING TAX**
on services like Facebook
Marketplace that small
businesses and families rely on.

AND BILLIONS MORE

that would hurt seniors, parents, and job creators across the state.

These tax hike proposals didn't pass this year, but some of them came close to becoming law.

SENATOR ROSE IS FIGHTING HARD TO STOP THEM.
